Course of Instruction for the Degree of Bachelor of Science.

THE degree of BACHELOR OF SCIENCE is given to such students as have attended all the courses in the Department of Mathematics, and in that of Natural Philosophy and Chemistry, and one course in Natural Theology, and the Evidences of Christianity, with two courses in Modern Languages, or two courses in Moral and Natural Philosophy, or two courses in Physiology and Natural History.

The Professors in the Faculty of Arts, by arrangement among themselves, deliver to the students not less than three lectures, on separate days in each week, at such hours not devoted to the ordinary instruction and recitations of their several professorships, as they deem most fit, on subjects connected with their several professorships.

On each day of the week, except Saturday, there are three recitations of one hour each for every class. On Saturday, each class recites once.

The character of each recitation is recorded, and the results communicated to parents or guardians at the end of each term.

At the end of each term, public examinations (written and oral) of the classes are held by the Faculty, and the students who are distinguished are classed in order of merit.

The fees for instruction in the full course of the Department of Arts are $30 per term, payable in advance. Scientific and other students, who recite with one or more classes, are charged for each branch one-third of the fee charged to regular undergraduates. In the Department of Modern Languages, the fee of each Professor is $10.

Two Literary Societies, consisting of students and alumni of the Institution, are sanctioned by the Board of Trustees, and meet in the University, being under the general control and supervision of the Faculty.

Students not from the City of Philadelphia, will, if it be requested

by their parents, have one of the Faculty appointed as a guardian, who will take charge of the disbursements, and attend to the comfort and well-doing of the individual.

The degree of Master of Arts may be conferred on the alumni of the University, bachelors in the arts of three years' standing, who apply for it. Such students as have received the degree of Bachelor of Science (of three years' standing) are entitled to the degree of Master of Science, on presenting to the Faculty a Thesis, which shall give satisfactory evidence that the author has continued to devote himself with success to science.

A public Commencement for conferring degrees, is held on the 3d of July, unless that day fall on Saturday or Sunday, when the Commencement is held on the Friday before.

A stated annual appropriation is made by the Board of Trustees, to enable the Faculty to offer *Prizes* for superiority in the performance of voluntary exercises, over and above the ordinary Course. The subjects are proposed by the several Professors early in the year; the award is made by the Faculty, and reported to the Board, before the month of June; and the names of those who have received Prizes are published at the annual Commencement.

In addition to the above, there is also a prize, called the "*Henry Reed Prize*," founded by the Alumni of the University in memory of the late Prof. Henry Reed, to be annually awarded for the best English composition by a member of the Senior Class, entitling the successful candidate to one year's interest on a certificate of loan issued by the City of Philadelphia, in the sum of $600, and also to an accompanying Diploma of Merit.

The Committee on the Department of Arts may admit, for gratuitous instruction in this Department, such pupils, not exceeding ten at any one time, as shall, after application to the Provost, have been examined and approved by the Faculty, and reported by the Provost as worthy of admission.

Regulations

OF THE

MEDICAL DEPARTMENT OF THE UNIVERSITY OF PENNSYLVANIA.

The Medical Department is under the immediate government of the Medical Professors, who constitute the Faculty of Medicine, subject to the Rules and Statutes of the Board of Trustees. The Faculty consists of

A Professor of the Theory and Practice of Medicine and Clinical Medicine;

A Professor of Anatomy;

A Professor of Materia Medica and Pharmacy;

A Professor of Chemistry;

A Professor of Surgery;

A Professor of Obstetrics and the Diseases of Women and Children; and

A Professor of the Institutes of Medicine.

The Medical Faculty hold meetings for the purpose of arranging and conducting the business of their department, and for the preservation of order and decorum among the medical students.

One of the members acts as Dean, whose duty it is to keep the Minutes of the Faculty, to arrange the examination of the candidates for graduation, to conduct the business of the Faculty at their meetings, and to attend to correspondence.

The Session for the Medical Lectures begins early in October, and ends in the middle of March ensuing.

The Commencement for conferring the Degree of Doctor of Medicine is held, by a special mandamus of the Board of Trustees, in the latter part of March.

The following are the Rules in force in relation to the Degree of Doctor of Medicine:—

I. The candidate must have attained the age of twenty-one years, have applied himself to the study of Medicine for three years, and

been, during that time, the private pupil, for two years at least, of a respectable practitioner of Medicine.

II. The candidate must also have attended two complete courses of the following Lectures in this Institution:—

Theory and Practice of Medicine,
Anatomy,
Materia Medica and Pharmacy,
Chemistry,
Surgery,
Obstetrics and the Diseases of Women and Children,
Institutes of Medicine.

III. Medical students who have attended one complete course in a respectable Medical School, where the attendance on two complete courses is necessary to a degree, where the same branches are taught as in this, and which is placed upon the *ad eundem* of this School, are permitted to become candidates by an attendance here for one full course; the rules of graduation being in other respects observed. They are also exempted from the payment of fees upon attending a second term.

IV. The candidate must also have attended one course of Clinical Instruction in the Pennsylvania Hospital, or some other Institution approved of by the Faculty of Medicine.

V. When a candidate applies to the Dean for admission, he must exhibit his tickets to prove that the above rules have been complied with.

VI. The candidate, at the time of his application, must deliver to the Dean of the Medical Faculty a Thesis, composed by himself, on some medical subject. This Thesis is referred to one of the Professors, who shall examine the candidate upon it, and make his report thereon to the Medical Faculty.

VII. When a candidate is rejected, his essay will be retained by the Medical Faculty.

VIII. The essay must be in the candidate's own handwriting, and must be written uniformly on letter paper of the same size, the alternate pages being left blank.*

* The essay should be written upon Thesis paper. This is for the purpose of convenient binding together into volumes. It is recommended to the candidate to prepare his Thesis before the commencement of the second course of lectures.

IX. Bad spelling in a Thesis, or evidences of want of literary culture, will preclude a candidate from examination for a Degree.

X. A Thesis may be published by the candidate if he desire it, the permission of the Professor by whom he was examined thereon being first obtained; but no alteration shall be made in such Thesis without the consent of the said Professor.

XI. The voting on the case of each candidate is by ballot. Candidates who have not been successful upon a first examination, will be permitted to have a second, when all the classes have been disposed of by the Faculty. The second examination will be conducted in full meeting of the Professors.

XII. The candidate shall pay the fees of graduation at the time of his examination, or before receiving notice of his success; his name may then be entered on the register of passed candidates, for the purpose of being reported to the Board of Trustees and included in the mandamus for a Degree.

XIII. Candidates who have passed their examination, and in other respects complied with the regulations, are to be reported by the Dean to the Provost, who will communicate such report to the Board of Trustees, in order that, if approved of by them, their mandamus be issued for conferring the Degree.

XIV. The Degree will not be conferred upon a candidate who absents himself from the public commencement, except by special permission of the Medical Faculty.

XV. Graduates of Medical Schools, on the *ad eundem* list, by attending one complete course in this Institution, and complying with the above regulations, are put upon the same footing with students who have attended two complete courses here; that is, they may present themselves as candidates for graduation;—also, if they attend a second time, the tickets will be free. Such graduates, if of five years' standing, are permitted to attend the course of Lectures, upon a general ticket of admission, free of expense, except the cost of the matriculating ticket. But this general ticket does not qualify for graduation.

EXPENSES.

Fees for the Course of Lectures ($15 to each Professor)	$105
Matriculating Fee (paid once only)	5
Graduating Fee	30

Regulations, etc.

OF THE

LAW DEPARTMENT OF THE UNIVERSITY OF PENNSYLVANIA.

It is the design of this Department to aid in preparing gentlemen for admission to the Bar, and, also, to offer to those who have not the Bar in view an opportunity of acquiring knowledge in any one or all of the branches of legal learning. The Conveyancer and the Merchant may attend, with profit, the particular lectures appropriate to their respective pursuits.

By late Rules of the District Court and Court of Common Pleas of the County of Philadelphia, the time occupied in this Department is considered, with respect to admission to the Bar, as equivalent to a like term of regular clerkship in the office and under the direction of a practising Attorney. And persons admitted to practise in any Court of Common Pleas or District Court of the State, if they are graduates of this Department, are admitted, at once, to the Supreme Court. It is believed that admission to the Bar in Philadelphia will entitle to admission in any part of Pennsylvania, and in many other States of the Union.

Gentlemen can study in their own rooms, or in a room at the University provided for that purpose.

The Professors do not presume to embrace in their course the peculiar laws and rules of procedure of all parts of the Union. Their design is so to discipline and prepare the mind by instruction in the principles of jurisprudence and their application in Pennsylvania, that other local codes can be acquired with facility and advantage. The foundations of the laws of most of the States are the same.

Students may matriculate at any stage of their professional preparation.

Students are not examined for matriculation, nor is it possible to require, peremptorily, a college degree, or any previous line of

study. This must be left to circumstances, to the views of the student, and to the influences which control him.

Instruction is conveyed by lectures, and by books and portions of books upon the subjects of the lectures, which are recommended by the Professors. The students are frequently and carefully examined. Moot courts are held, at which questions are argued. And the Law Academy of Philadelphia, an institution of long standing, to which not only students, but many practising lawyers belong, gives opportunity for debate and argument which has been found of the greatest practical advantage. Exercises in writing legal essays and opinions form part of the course.

There are two terms each year. The first term begins on the first of October, the second on the first of February. Each term continues four months. From the first day of June to the first of October is vacation. The course is so arranged that a student entering at the commencement of any October term will complete his term of study in two academical years.

Students who have attended four consecutive terms with each Professor, may, upon the recommendation of the Faculty, proceed Bachelors of Law.

Students who have attended any one or two of the Professors only, may receive from each Professor certificates of proficiency.

The fee to each Professor is ten dollars for each term of four months. No matriculation fee is required.

In all cases where a student is a proper object for such indulgence, he will be allowed to attend the lectures without charge.

Those who have received the degree of Bachelor of Laws, may attend all future lectures free of charge.

Arrangement of the Course.

PROFESSOR SHARSWOOD

For the third term, beginning October 1, 1857, ending February 1, 1858, Law of Persons and Personal Property, Mercantile Law.

For the fourth term, beginning February 1, 1858, ending June 1, 1858, Mercantile Law, Law of Debtor and Creditor, Criminal Law, Conflict of Laws.

For the second term,	Practice and Pleading at Law.
For the third term,	Evidence.
For the fourth term,	Practice and Pleading in Equity.

PROFESSOR MILLER

For the first term,	Real Estate.
For the second term,	Conveyancing.
For the third term,	Equity Jurisprudence.
For the fourth term,	Equity Jurisprudence.

The course for the four terms, beginning October 1, 1858, ending June 1, 1860, will be, unless some change is announced, a repetition of the above. It will be perceived, therefore, that a student entering on the 1st of October of any year, and continuing four terms, will have a complete course, though the studies will not be presented in the same order to him as to those who have entered in the previous October.
